BRIEF HISTORY OF THE COLLEGE

Michael Otedola College of Primary Education (MOCPED) formerly known as Lagos State College of Primary Education (LACOPED) came into existence in December, 1994 during the administration of Sir Michael Agbolade Otedola as the Lagos State Governor. The College started with four (4) Principal Officers and One (1) Junior (a Typist) Officer at the Epe Chalet, Oke-Oyinbo, Epe Town. The name of the Principal Officers were:

- i. Prof. Tunde Samuel - An Associate Professor
- ii. Mr. W.O. Willougby - The Registrar
- iii. Mrs. T.A. Tella - The College Librarian
- iv. Alh. Bashir Hassan - The Bursar
- v. Mrs. Charity Agajive - Typist

These other two (2) officers were appointed from the State Secretariat, Alausa-Ikeja, Lagos State in February, 1995:

- i. Mrs. Akinrodoye - An Accountant
- ii. Mr. O.R. Jegede - Library Officer

Mrs. Olabode T.O. formerly Miss Olojede was the first academic staff appointed in January, 1995.

Many officers were seconded from Lagos State College of Education now Adeniran Ogunsanya College of Education, Ijanikin and from State Secretariat, Alausa-Ikeja. Some of them were:

- i. Barr. Bola Disu (seconded) – Prin. Asst. Reg. (Registry Dept) – Ijanikin
- ii. Mr. Fashola T.A. (Seconded) Asst. Registrar (Registry Dept.) – State Secretariat, Alausa

Staff were interviewed and appointed in July, 1995. Academic activities did not start in the College until September, 1995, after the pioneering staff both Academic and Non-Teaching went out to source for students from Ogun, Oyo, Ondo, Ekiti and Lagos States.

The College started with Pre-NCE and Regular NCE Programme in September, 1995. Mrs. L.A. Jegede formerly Miss L.A. Mukhtar was the first Student Affairs officer appointed by the College in 1996.

Many academic staff came into the College on Sabbatical appointment from different tertiary institutions to assist in the take off of the Academic Programme of the College.

In line with the new National Policy on Education, which among other things, stipulates the Nigeria Certificate in Education (NCE) as the basic qualification for teaching in Nigeria by the year 2000, coupled with the need to provide functional and qualitative education that is predicated upon well trained and sound professional manpower to the citizenry of the state, the Lagos State Government in December, 1994 established the Michael Otedola College of Primary Education (MOCPED) for pre-service training and certification of graduates for the Primary School System.

MOCPED, now situated in Noforija near Epe in the Epe Local Government Area of the state, is the first tertiary institution in Nigeria to be dedicated strictly to the training and certification of manpower for the Primary School System.

The College formally took off by 1st of December, 1994 at the Government Guest House, Epe, with the appointment of the Provost and three other Principal Officers, by the Provisional Governing Council. The College has now moved to its permanent site at Noforija-Epe.

Objectives for Establishing the College.

The College is established with the following objectives:

- i. To provide courses of instruction leading to the award of diploma, certificates and other distinctions in Primary Education and such related studies;
- ii. To provide special training courses in Education and all related subjects whether leading to College distinctions or not, for such person as may be prescribed taking into account at all times the requirement of both the Federal and State Ministries of Education;
- iii. To provide well-qualified (non-graduates) primary school teachers in accordance with the requirements of both Federal and State Ministries of Education;
- iv. To conduct research, with particular reference to Primary Education;
- v. To arrange conferences, seminars, tours, study-groups and like activities for the purpose of improving instructions and learning in Lagos State school system;
- vi. Research into problems of Education and apply the result of such research in the school education system and inculcate in its students the ethics of the profession.

After the tenure of the pioneering Provost, Prof. T. Samuel which ended on the 31st May, 2002, Prince K.O. Ekemode took over the reign of the College on 1st June, 2002.

The Crisis Period 2004 – 2005

There is no tertiary institution in Nigeria that has not experience a crisis period at one time or the other, MOCPED was not an exception, this crisis period came up during the tenure of the following Ex-Principal Officers:

- Prince K.O. Ekemode - Provost of the College
- Mr. Adelaja Olojede - Registrar
- Mrs. Adeola George - Librarian and
- Alhaji B.O. Hassan - Bursar

This happened in the year 2004 and it lasted until late 2005 in which several allegations were leveled against the ex-whilst Provost and his lieutenants by the Staff of the College and counter accusations were also made by the ex-whilst Provost against the staffers of the College. The crisis was so much that the College was closed down indefinitely for months and it was not opened until an Administrator was appointed by the State Government to oversee the affairs of the College. The Administrator was appointed to broker peace within the College and to find out both the immediate and far causes of the crisis.

The name of the Administrator was Mr. Owolabi Amisu, he was ably assisted by Alhaji Mukadas Fujah, a former SPEB Chairman who was appointed as the Registrar, while Mr. Jide Dankuwo was redeployed from the Ministry of Finance, Alausa Ikeja to be the Bursar of the College.

The Administrator's Period 2005 – 2007

Mr. Owolabi Amisu and his lieutenants Alh. Mukadas Fujah, Mr. Jide Dankuwo tried their best to make peace reign in the College, it was during the tenure of Mr. Owolabi Amisu that the College formed an alliance with the University of Ado-Ekiti now Ekiti State University to establish a Degree Programme in the College. This affiliation brought increase in the admission enrolment of students in the College and also widen the horizon of the College as well as boost the IGR of the College.

A new Administration came up during late 2007 when a new Provost was appointed for the College in person of Prof. A.O.O. Oguntoye.

She holds a Bachelor of Science Degree in Education (Biology) from University of Ife, now known as the Obafemi Awolowo University as well as a National Certificate of Education in Botany and Zoology from the Adeyemi College of Education, Ondo State

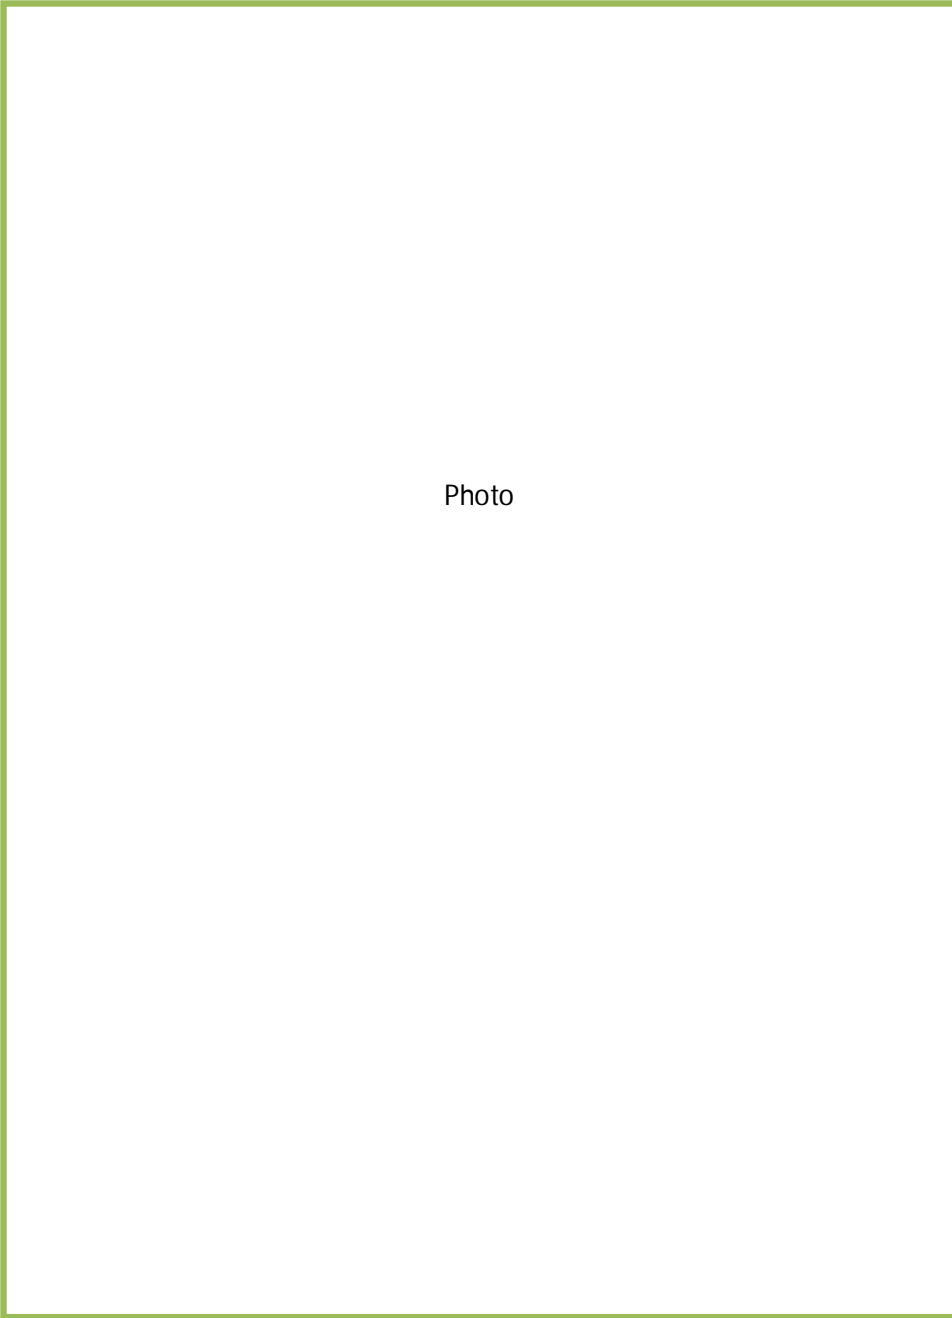

Her interests lie in the promotion of the rights and dignity of the poor, disadvantaged and most vulnerable members of the society. One of her major achievement as First Lady of Lagos State from 1999 to 2007 was the establishment of New Era Foundation, a non-governmental organization which is geared towards voluntary social service through programmes that are geared towards youth and women development.

Some of the foundation's initiatives include: The Spelling Bee a spelling competition which provides a platform for pupils of public secondary and primary schools in Lagos to showcase their innate talents while inculcating in them the good value of healthy rivalry essential for good academic performance. The winners of the spelling bee contest are sponsored on educational exchange programmes abroad, and given scholarships throughout the duration of their university education and go on to act as "One Day Governor" of Lagos State; HIV/AIDS advocacy programme for youths which trains, educates and enlightens the youth on the HIV/AIDS pandemic; the Alternative High School for girls which is an innovative formal education institution which serves as a vehicle for rehabilitation and propelling girls who have dropped out of secondary school to prepare for and obtain secondary school certificates and other acceptable societal values and norms; The National Wheel Chair Tennis Championship, a competition which showcases the innate talents of the physically challenged athletes in Nigeria; the Junior chef Competition which a cooking competition aimed at inculcating cooking skills among young school children.

A role model for the Nigerian Youth, and women, Oluremi Tinubu is a philanthropist and a patron to several non-governmental and humanitarian organizations.
